

The 180° Martini Bar – A true one-of-a-kind masterpiece of functional art.

Kalamazoo Outdoor Gourmet 180° Martini Bar

The 180° Martini Bar raises outdoor entertaining to new heights, transforming your patio into a gathering place like no other.

- Every 180° Martini Bar is handcrafted by talented, fourth-generation metalsmiths – a true one-of-a-kind work of art.
- The martini glass shape was used as inspiration for the distinctive, modern design.
- Our swirled texture is created and polished by hand for the perfect piece of functional art.
- The generous size provides ample space for comfortably entertaining groups.
- Only heavy-gauge, high-quality stainless steel is used to complete each masterpiece.

Well-stocked with every feature a bartender needs:

- 16 gauge food-grade stainless steel – made to last a lifetime.
- Bar faucet and stainless steel bar sink.
- Ample dual storage shelves.
- Integral speed rail stemware rack and garnish holder.
- Large stainless steel ice bucket and scoop.
- Bottle opener with cap catcher.
- Water supply and drain connections.
- In line water purifier.
- Electrical box with four GFCI outlets and 8-foot power cord.
- Outdoor-rated ambient LED lighting, inside the bar and out.
